

WELCOME TO THE NORTH COUNTY SOCCER PARK!

HERE IS WHAT WE WILL NEED YOU TO DO FOR REGISTRATION:

- 1) *TEAM REGISTRATION FORM* (submit with at least \$200 deposit)
- 2) BEFORE THE FIRST GAME, PLEASE BRING:
 - a. REST OF COMPLETED REGISTRATION PACKET
 - TEAM ROSTER* WITH NAMES, PHONE #'S, JERSEY #'S
 - COMPETITIVE TEAM POLICIES SIGNED* (MGR. / COACH)
 - 2010 RESCHEDULE POLICY ADDENDUM SIGNED* (MGR. / COACH)
 - COMPETITIVE LAWS OF THE GAME SIGNED* (MGR. / COACH)
 - BALANCE OF ACCOUNT –cash, check, VISA or Mastercard
 - b. *WAIVER OF LIABILITY FORMS SIGNED* BY PARENTS
 - c. *COPIES OF PLAYERS CARDS or BIRTH CERTIFICATES*

**Total fee is \$575 (\$75 returned if your team does not forfeit any games)

**Pay in full by March 28, 2010, and pay only \$475 (\$50 forfeit fee returned)

North County Soccer Park

Stadium Field 6 v 6

YOUTH COMPETITIVE LAWS OF THE GAME

LAW 1-Number of Players & Substitutions: Maximum of 6 per team on field at any time for adult teams, youth teams U-8 (6 + goalie), U-9 to U-19 (5 + goalie) and a minimum of 4. Non-violent penalties are delayed if it would reduce a team below 4 players. Substitutions may occur "on the fly" provided a player leaving the field arrives at the door before his replacement enters the field. During "guaranteed substitutions," teams shall be allowed (15) seconds to complete all player changes. Guaranteed substitutions are: when the ball goes out of bounds, during time outs, after a goal is scored (either team), during an injury, and whenever the clock stops. A player may substitute during a foul, but this is not a guaranteed substitution and the team must be certain not to have too many players on the field when the game is restarted (no second whistle is required). Jumping over the wall on substitutions will result in a 2-minute penalty to the offending player and the departing player must still leave the field. *NOTE: See Youth Competitive Special Rule on page 3.*

LAW 2-Player Equipment: Consists of a team shirt with a prominent and permanent number attached to it (shirt must be *identical* in color and style to all other teammates except goalie), shin guards are mandatory for all players 18 or younger, and soccer shoes with traction soles or rubber soccer cleats. No baseball, football, or metal cleats allowed! Players may not wear rings, watches, earrings, or hard hair pieces. Only goalies may wear hats in order to shield the sun from their eyes. Players will not be allowed to play with a hard cast (even if it is wrapped). Players wearing orthopedic braces (i.e.,-knee braces) must cover the brace with some type of padding. The referee and NCSP management may or may not deem said player equipment to be safe and their decision is final.

LAW 3-Duration of the Game For eight (9) game seasons games will consist of two halves of 25 minutes each with one 3-minute half-time interval. Each team is allowed one 30 second time-out per half. A time-out can be called by the goalie (with the ball at his/her feet or hands) or a coach/field player when the ball is out of play and it's their possession. Play-off games will be played with two 22-minute halves. In the championship game, if the game is tied, a five-minute sudden death period will follow. If the game is still tied at the end of sudden death, a shoot out will decide the winner (five vs. five and then 1 vs. 1 if necessary). All games will be played with a "running clock." The clock will NOT stop for two-minute penalties unless the referee signals for stoppage. The clock will stop during serious injuries and time outs. The referee may also order the clock stopped or reset for intentionally kicking the ball out of play when less than 2 minutes remain in the half.

LAW 4-Method of Scoring: A goal is scored when the whole ball pass completely over the goal line, providing no infraction has been committed by the attacking team. A goal will not count if the attacking player slides to score. It is not considered a foul if a player stretches to score and then falls.

LAW 5-Red Line Violation: It is a violation if the ball is passed forward by the goalie so that it passes over two red lines (3 lines) in the air without being touched by any other player. If this happens, the referee will award a free kick to the opposing team, to be taken at the center point of the red line closest to the attacking goal.

LAW 6-Free Kicks: All free kicks are direct (including the kick off). A team will have five seconds to take a free kick. 15 ft. distance is required by the defending team. Quick restarts are allowed. No whistle is required on Free kicks unless the player with the ball asks for 15 feet. A whistle is then required before starting play. A player will receive a two-minute penalty if he/she encroaches (does not attempt to back up to 15 feet but instead blocks the ball). A two-minute may be given if the player is delaying the game (such as holding or keeping the ball from the other team).

LAW 7-Penalty Kicks: A penalty kick is awarded for offenses committed in the penalty area that in the referee's discretion would have prevented a goal scoring opportunity or was flagrant enough to warrant a two minute penalty. Penalty kicks will also be awarded to the team if the defending team slides inside their own penalty area (except the goalie), intentionally handles the ball inside the penalty area, or commits any other two-minute penalty offense in the penalty area. A foul in the penalty area that does not warrant a penalty kick will result in a free kick at the top of the arc. Penalty kicks shall be taken from the penalty spot at the middle of the top of the penalty box. If the penalty kick is missed, then the player sent off for the two-minute offense shall remain in the penalty box for the remaining two minutes, and play resumes from the missed penalty shot. If the penalty kick is scored then play will resume with a kick off and the penalized player may return.

LAW 8-Shoot Outs: A shoot out will be awarded when the referee feels a player on a breakaway situation was denied a chance from scoring because of a foul anywhere in his attacking two thirds of the field (after he/she crosses the first white line). The clock is stopped during the shoot out attempt and the game is re-started with a kick off (if a goal is scored) or a free kick from the red line closest to the attacking goal (if the attempt fails). A shoot out is shooter vs goalkeeper. The duration of the shoot out is 5 seconds. If the goalie fouls the shooter (even if outside the penalty area) on a shoot-out attempt, a penalty kick will result.

LAW 9-Goalkeeper restrictions If a goal keeper commits any of the following infractions inside his/her own penalty box, the opponents shall be awarded a free kick at the penalty spot. 1) If the goalkeeper has control of the ball with their hands, they may not release the ball into play and handle it again until it has touched an opponent.

2) Goalies may not bounce the ball. 3) If a teammate intentionally kicks the ball to the goalie, the goalie may not handle the ball. 4) Once the goalie gains full control of the ball with hands or feet inside the penalty box, they must release the ball into play outside the penalty box or to another player within 5 seconds. 5) A goalie may not intentionally clear the ball out of play. If this is done and the referee recognizes the infraction, the restart for the opposing team will be on top of the arc. 6) Once the goalie gains control of the ball outside of the penalty box, he must either release the ball into play or advance with and play the ball in a normal manner within 10 seconds. 7) If a goalkeeper gains possession of the ball outside the penalty box, it may not be handled inside the penalty box until it has been touched by an opponent or play has been stopped.

LAW 10-Fouls and Misconduct: A player who trips, boards, jumps at, pushes, holds, violently charges, or charges in the back of an opponent, or who unintentionally handles the ball shall be penalized by a free kick. Anyone of these offenses committed in the penalty area by a defender may result in a penalty kick for the offensive team and a two-minute penalty to the offender. An intentional handball or any of these offenses judged to be very serious by the referee, regardless of their location, shall be penalized by a two-minute penalty against the offender. The two minute penalty must be served in the penalty box by the individual player that the Blue Card was issued to.

If the player is guilty of unsportsmanlike conduct while in the box, that player may be penalized for additional time or possibly ejected. A player who receives a blue card for dissent must serve that two-minute penalty just like any other two-minute penalty. A player guilty of a second penal offense in any game shall receive a yellow card. Foul and abusive language will increase penalty to a red card. The third such penalty shall result in a mandatory ejection. If a player receives a red card for any reason, that player shall be ejected for the remainder of the game (he must leave the NCSP property) and must serve a minimum of a one additional game suspension. The game will not restart without the player leaving the property. Refusal to do so will probably extend his suspension. Foul and abusive language will probably increase the suspension. He may be replaced by a substitute who must serve a five-minute penalty before entering the game. If a player refuses to leave the property, we will call the local Sheriff's office.

If a non-playing personnel (coach, parent, spectator etc.) is guilty of ungentlemanly conduct, he/she shall be awarded a yellow card or ejection (red cad), but no time penalty shall be served by any player for a non-player's misconduct. A second offense by a non-player of the same team that received the yellow card can cause a blue card to be issued with the referee picking which arbitrary player will serve the 2-minute penalty. The full 2-minutes will be served. The opposing team scoring a goal does not negate the time penalty. Any verbal abuse directed to an NCSP manager, scorekeeper, referee or guest by anyone (player, coach, parent, spectator) will not be ignored and may result in permanent suspension of NCSP privileges with no refund of monies paid. It is the policy of NCSP to keep your soccer park family friendly and recreational. Our code of conduct is not lengthy or unreasonable but it is rigid and inflexible.

Power play return: If one team is reduced by penalties to fewer players on the field than its opponents and the team having more players scores a goal, then the player who has served the most of his penalty time can return to the game. Only one penalized player may return on each goal.

Ineligible players: If a player has received a red card and has not served a one game suspension immediately following the red-carded game, his/her team will forfeit all games until the suspension is served. The same penalty will apply to players playing out of required age limit (EX: a 29 year old playing in the 35 and older league). Any player playing illegally is the responsibility of the coach (captain). Any player who plays illegally (plays without being on roster or is too young for the league or plays without a waiver) will cause his team to forfeit 0-10 and may also be suspended from playing.

SPECIAL PLAYING RULES:

All games except the championship concluding with a tie score after regulation time will be considered a tie game.

Three points will be awarded for a win, one for a tie, and zero for a loss. The tie breaker procedure will be:

A) head to head, B) goals against, and C) goal differential (in that order).

All players awarded a red card will serve a minimum one game suspension and may be suspended entirely from all remaining games if the management deems it necessary, depending on the severity of the incident. Fighting will not be tolerated at the NCSP, and will result in a red card, and or forfeit, and/or league suspension for any player(s) involved, including the entire team if necessary! One punch (hit or miss) = 8 weeks minimum suspension (no refund). 1st red card for infraction = minimum 1 game suspension. 2nd red card (within a calendar year) = minimum 8 weeks suspension. 3rd red card (within a calendar year) = minimum 1 year suspension. Threatening a referee (including verbal threats) = minimum

1 year suspension (probable indefinite suspension). Spitting at referee or physically assaulting referee in any circumstance = automatic lifetime suspension. Any intentional action to cause serious injury (head butt, etc.) will result in a minimum one-year suspension and possible indefinite suspension. Any player who leaves the bench in a fight will cause his team to forfeit that game 0-10. Any player suspended for fighting will not be allowed to participate in any of the leagues at NCSP throughout the entire term of the suspension.

ALL FEES ARE NON-REFUNDABLE TO SUSPENDED PLAYERS.

NCSP is a member of The Network, an association of Soccer Facilities including the Magdalena Ecke YMCA, Bradley Park San Marcos Soccer Arena, and the Escondido Sports Center. Any serious suspension at NCSP will also be enforced at all the other Network Facilities. For example, if a player is suspended for 8 weeks at the NCSP, he/she will also be suspended from the other Network facilities.

PLAYERS ON TEAM ROSTER: *Effective 3-20-02.* Teams playing in our Youth Competitive League must have a completed roster turned in before the 1st game. All players on the roster should have a complete name, a jersey number, a copy of either their birth certificate or Presidio player card, and a parent signed waiver of liability. NCSP office staff will check the roster and the documents when you bring them in before your 1st game. "Subs" of the future need to be placed on the roster and checked off as well. Plan ahead. Incomplete waivers or rosters are not allowed and will not be considered as valid.

SAME SHIRT WITH A NUMBER: *Effective 3-20-02.* Each player on a team must have the same color and style shirt with a permanent number attached to it that matches on the team roster in the NCSP office. The number must be prominently displayed and match with the number on the team roster in the NCSP office. A player will not be able to take the field and play without this reasonable step taken. Players may not share their uniform shirts. Don't come to the soccer park without your uniform. No exceptions.

ALL PLAYERS UNDER 18 YEARS OLD MUST WEAR SHIN GUARDS. *Effective 3-20-02.* Players under 18 years old, on both the mini and stadium fields, must wear protective shin guards. The referee must be able to check a valid ID if deemed necessary to verify a player's age. Bring your own shin guards – don't expect the soccer park to supply them. No exceptions.

****YOUTH COMPETITIVE SPECIAL RULES:** *Effective January 2003.* Youth competitive indoor seasons are very popular but often the NCSP has to set up its youth competitive leagues by mixing age brackets (U9/10, U13/14, etc.) and/or skill levels (Premier, AAA, AA-A, AA-B). In the interest of sportsmanship and having competitive fun, the soccer park encourages teams that are winning by four (4) or more goals to allow their opponent to have an extra field player. It is not mandatory. The extra player is allowed to take the field after both coaches authorize it. The losing team may continue to play an extra player until they pull to within three (3) goals. We know it is "competitive" soccer but it is also meant to be fun for all the kids. Hopefully, everyone will understand that it is not just about winning. Sportsmanship, fair play, fun competition and being a gracious winner or loser are more important at the North County Soccer Park.

RAIN PROCEDURE:

1. When it's raining please call NCSP before you leave your home/office to inquire about your game status. 45-minutes before your game is a good rule of thumb. We do our best but it is the weather we're talking about so exact predictions are impossible.
2. Games will only be cancelled if *management* deems the field unplayable or has seen lightning. Games that are called by the park management at halftime will stand as complete games. Wear shoes with traction when playing on wet turf. Rubber-molded cleats are always allowed. NO METAL CLEATS.
3. If you have any questions during severe weather conditions, please encourage your players to phone the park office at **(858) 748-4260**. Press # 7 on the answering machine if no one answers.

Grievance Procedure: All complaints, compliments and other comments should be directed to Dave Brennan or the manager on duty. We will try to resolve every problem that is brought to our attention in a professional manner; however, we request that you bring any problem to our attention in written form.

NCSP is a business and reserves the right to refuse service to any team and or individual that has been known to be unsportsmanlike, abusive, criminal or unsafe. Don't come here if you or your players can't control yourselves physically, verbally, or emotionally.

NCSP STADIUM YOUTH COMPETITIVE TEAM POLICIES

FOR YOUR FIRST GAME

- Make sure that everyone arrives 30 minutes before the first scheduled game time to take care of paper work.
- Have every player bring the following: money for referee, and their portion of the registration payment. At least \$200.00 must be paid to NCSP before game time in order to play. Cash or check only please.
- All your players must fill out and turn in an NCSP waiver before they can play. Any player playing without a waiver turned into the office will cause his team to forfeit.
- NCSP will contact you with your first game time. Contact NCSP with tournament conflict information.
- Team representative (Captain, coach, or manager) must sign and turn in a copy of the rules which are available in the office. Also, have all players on your team read and understand a copy of the rules.

SPECIAL REGISTRATION NOTES AND POLICIES:

Rosters must be submitted to the NCSP Office before the first game and must be finalized before the third game. A maximum of eighteen (18) players are permitted on a roster. Once a player plays one game with a team, he /she must stay on that team for the duration of the season. NCSP strongly suggests putting 18 players on your roster in case of injury or attrition. Any player that plays without a waiver on file or is not on the roster will cause his/her team to forfeit.

The clock will start at your designated game time after a five-minute grace period. Warm up before you enter the playing field. Be ready to play at game time or miss valuable playing time! Schedules are written so that every team plays 8 games. If your team forfeits, you not only decrease the amount of games your team plays but also the amount the other team can play.... please be considerate of this fact and make all your games!!!!

If your team would like to reschedule a game, both teams must agree on a new date and time and must arrange it with NCSP at least a week in advance. Otherwise, the team that does not show up for the originally scheduled game will forfeit 0-10. NCSP will only guarantee to reschedule a game if your team is playing another game in an OUTDOOR SOCCER commitment. You can start a game with four players. Other sports like baseball, basketball, softball, etc., will not be considered when asking for a make-up game.

**Coaches and team managers—see the addendum to these policies regarding how to reschedule a make-up game.

NCSP PAYMENT POLICY:

Early registration fee is \$500 if paid in full by 3-28-10 (\$50 of the \$500 is the refundable forfeit deposit). Normal registration fee is \$575 (\$75 of that is a refundable forfeit deposit). If you don't decide to pay in full then \$200 is due before the first game and the balance (\$375) is due by the beginning of the 1st game. If it's not paid, your team will lose 0-10. For every game that you are forfeited against, and no one uses the field, there will be a \$35 redeemable soccer park credit. Every time your team forfeits, you will owe an extra \$50 which you will need to pay in order to play your next game. The forfeit deposit must be made the first session and can be held on the captain's account for future seasons assuming the team does not forfeit. It will be returned upon request, after the season is over, if your team played all of their games.

Your team will not be scheduled or allowed to play the first game without a minimum \$200.00 payment! A team will not be allowed to play its 2nd game if the balance isn't paid.

Sorry, no refunds after the first scheduled game. Returned checks will be subject to a \$15 service charge and the entire amount due must then be paid in cash or a cashier's check made payable to NCSP.

IMPORTANT: TEAM CANCELLATIONS WITHIN SEVEN (7) DAYS OF THE START OF THE LEAGUE, depending on which day your league starts, WILL LOSE \$75 OF THEIR DEPOSIT. Once the schedules are completed, teams requesting a move to a different age league will be charged \$50 IF THE REQUEST IS APPROVED. League schedules are set up based on age and the number of teams. It is very time consuming to restructure a league once it is set.

REFEREE PAYMENT POLICY

- Referees get paid by the teams before the game starts. HAVE YOUR MONEY READY BEFORE THE GAME!!
- If the refs are not paid within the five-minute grace period, the game will be considered a forfeit against the team or teams that have not paid.
- Each team must pay the referee \$8.00 cash per game. The referees and the office might not have change so please come prepared.

NCSP Hours: Mon.-Fri. 3:00pm to 10:00pm; Sat. 8:00am to 10:00pm; Sun. 2:00pm to 9:00pm. NCSP Office: (858) 748-4260.

I have read and understand the policies above:

I understand that my team must comply with the rules and regulations of the NORTH COUNTY SOCCER PARK. I also understand that all my players must have a release form and must be on my roster by the third game or my team will forfeit all games played with ineligible players. I also understand that I am responsible for paying NCSP the complete entry fee for my soccer team. At NCSP's sole discretion, failure to comply with the above rules could result in immediate suspension of individual or team playing privileges without a refund of any monies paid.

Rosters must be neat, are due by the first game, and must be finalized before the third game. Maximum of eighteen (18) players are permitted on a roster. **Once a player plays one game with a team, he/she must stay on that team for the duration of the season.** NCSP strongly suggests putting 18 players on your roster in case of injury or attrition. Each player on roster must have a NCSP waiver to participate in a match. Teams will forfeit games 0-10 when players participate who are not on the roster or are on the roster but do not have a waiver in the park office.

**North County Soccer Park Addendum
regarding our policy on scheduling a make-up game
with another youth competitive team for 2010 indoor soccer.**

First off, we want to thank you for having your team play with us! We truly want your entire team (coaches, managers, parents, and players) to have a great time playing youth competitive indoor soccer. It is meant to be competitive but also fun and instructional.

In prior years, the NCSP scheduled make-up games in a very customer friendly manner but it was not very efficient for the park or the teams involved. It worked like this:

-One of the teams called NCSP and informed us of their inability to play a game because of an outdoor soccer commitment like a tournament or tryout.

-We contacted the other team manager/coach and told them that their opponent informed us and we were now telling them of the need for a reschedule at some time in the future. They then needed to contact their team about the cancellation.

-At some point in the future, during the course of the season, the soccer park would tell a team (we'll call them Team #1) of some field availability dates. Team #1 manager/coach would contact their team, have a vote, and determine a day/date/time for the make-up game. Within a couple days (sometimes weeks) after our initial contact, Team #1 would tell NCSP of their choice. NCSP would then contact Team #2 and tell them. Team #2 manager/coach would contact their team to see if that day/date/time worked for them. Sometimes, it did. Many times, it did not. Then, NCSP would then have to re-contact the Team #1 manager/coach and tell them there was no game after all. It was back to square one with a lot of wasted calls, e-mails, time, and effort. It was very inefficient & frustrating.

→From now on, the soccer park management will handle reschedules a completely different way. Instead of trying to be the "middle man", we will handle reschedules in this manner:

-NCSP will produce a list of each league's team coaches and managers. We will pass out the list to each manager/coach of their own particular league. The information of name, contact phone #'s, and e-mail should not be considered that sensitive since it is already on Presidio's website and many of their own club sites. It should only be used for the purpose of scheduling make-up games.

-If you have to cancel a game, the team manager/coach needs to contact an NCSP **manager** immediately. We will tell you what days/dates/times are available to schedule your make-up and then that team manager/coach will contact their opponent and it will be worked out by the teams. Cancellation calls to other teams should provide at least four (4) days notice – at least!

-Once the teams come to an agreement of what day/date/time work best for them, then both team managers/coaches must contact an NCSP **manager** and confirm their agreement. If that day/date/time are still available on the calendar, then it is confirmed and will be written onto our master calendar and the league schedule.

-Games not initiated by Team #1 (our example team) will count as forfeits 0-10 and their forfeit deposit money will be lost to Team #2. Team #2 must be agreeable to some form of make-up. If they are not, Dave Brennan will look into any conflict(s) that arise and try to arrange a solution. His decision will be considered final.

Manager or Coach signature _____ Team _____ Date _____

North County Soccer Park, Inc.

This form is for individuals and is mandatory for all Youth Competitive League (YCL) players, coaches, managers, Field Rental and Birthday party participants, Coaching Clinic participants, and anyone else the NCSP management deems is necessary in order to use the soccer park's facilities. A YCL player who plays any part of a game without a signed waiver form on file in NCSP's office will cause his/her team to forfeit the game 0-10. Sorry, no exceptions.

WAIVER OF LIABILITY AND DISCLAIMER

I/We (parents or guardian if applicable) hereby give my/our consent and agree to release, indemnify and hold harmless the North County Soccer Park, Inc. of Poway, California, and all personnel, including officials, staff, representatives and owners, from any claim arising out of any injury to the named individual. I/We understand the hardness of the playing surfaces and the roughness of the sport. I also grant North County Soccer Park, Inc. the right to photograph the below named individual's participation in soccer activities and use the photographs in future brochures and advertising.
